The Honorable Patricia Price Bailey
Commissioner
Federal Trade Commission
Washington, D.C. 20580

Dear Commissioner Bailey:

On behalf of the Central Intelligence Agency, I wish to thank you for your participation as keynote speaker at our Symposium on Career Issues and Strategies on October 14, 1987. Without question, your excellent presentation ensured the ultimate success of the program. Written evaluations of your address were laudatory with many participants commenting on how critical your advice was in helping them to reassess their careers. Everyone appreciated your sense of humor and willingness to fulfill Senator Nancy Kassebaum's commitment to the Federal Women's Program.

Once again, we appreciate all your efforts on such short notice.

Sincerely,

Executive Director
